

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Regas  
DOCKET NO.: 12-20969.001-R-1  
PARCEL NO.: 14-08-418-064-0000

The parties of record before the Property Tax Appeal Board are John Regas, the appellant, by attorney Robert J. Paul, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$24,534  
**IMPR.:** \$69,466  
**TOTAL:** \$94,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, masonry, single-family dwelling of approximately 23 years of age. Features of the home include a fireplace. The property has a 7,216 square foot site and is located in Lake View Township. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$940,000 as of January 1, 2012, while developing the cost and sales comparison approaches to value. In addition, the appraisal indicated that the subject was an owner-occupied property as of the appraisal date. Further, the appraisal stated that the subject contained 3,422 square feet of living area as well as four baths, a full basement with an exercise room, and a three-car garage. In support, the appraisal included a building schematic as well as multiple, color photographs of the interior and exterior. The appellant requested a total assessment of \$94,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$106,127. The subject's assessment reflects a market value of \$1,061,270 including land, when applying the level of assessment for class 2, residential property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted descriptive, assessment and sales information on three suggested comparable sales, while indicating that property #3 contained a partial assessment. As to the subject, the board's grid indicated that the building contained 3,576 square feet of living area with three baths and one fireplace without further explanation.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of building size and amenities as well as market value to be the *appraisal submitted by the appellant*. The Board finds the owner-occupied, subject property had a market value of \$940,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
