

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gonzalo Escobar
DOCKET NO.: 12-21178.001-R-1
PARCEL NO.: 11-32-104-006-0000

The parties of record before the Property Tax Appeal Board are Gonzalo Escobar, the appellant, by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,560
IMPR: \$ 11,820
TOTAL: \$ 19,380

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 102 year-old, two-story dwelling of masonry construction containing 2,822 square feet of living area. Features of the home include a full unfinished basement. The property has a 6,300 square foot site and is located in Rogers Park Township, Cook County. The subject is classified as a Class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted evidence disclosing the

subject property was purchased on May 10, 2011 for a price of \$200,000. The appellant also submitted a closing statement, and a purchase and sales contract. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,584. The subject's assessment reflects a market value of \$294,985 or \$104.53 per square foot of living area, when using the board of review's indicated size of 2,822 square feet and when applying the 2012 three-year average median level of assessment of 9.69% for Class 2 property as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four suggested comparable sales and the May 2011 sale of the subject for the price of \$200,000.

In rebuttal, the appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in May 2011 for a price of \$200,000. The appellant disclosed that the property was sold using a Realtor. In further support of the transaction, the appellant submitted a copy of the sales contract and the closing statement. The Board finds the board of review did not present any evidence to challenge the arm's-length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$200,000 as of January 1, 2012 and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2012 three-year average median level of assessment of 9.69% for Class 2 property as determined by the Illinois Department of Revenue shall apply (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
