

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andy & Teresa Lisowski
DOCKET NO.: 12-21181.001-R-1 through 12-21181.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Andy & Teresa Lisowski, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
12-21181.001-R-1	28-26-300-010-0000	1,578	0	\$1,578
12-21181.002-R-1	28-26-300-024-0000	3,509	0	\$3,509

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels of vacant land under common ownership with an adjacent residence. The parcels have a total land area of 36,000 square feet. The property is located in Bremen Township, Cook County and it is classified as a class 2-41 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal

estimating the subject property had a market value of \$52,500 as of January 1, 2011.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,484. The subject's assessment reflects a market value of \$87,554 or \$2.43 per square foot of land area, when applying the 2012 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.69% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the appraised value. The Board finds the subject property had a market value of \$52,500 as of the assessment date at issue. Since market value has been established the 2012 level of assessment shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
