

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey Parkhill  
DOCKET NO.: 12-21235.001-R-1  
PARCEL NO.: 14-29-206-048-0000

The parties of record before the Property Tax Appeal Board are Jeffrey Parkhill, the appellant, by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 13,800  
**IMPR.:** \$ 72,540  
**TOTAL:** \$ 86,340

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 114 year-old, three-story dwelling of masonry construction containing 4,836 square feet of living area. Features of the home include a full unfinished basement, central air conditioning and a two-car garage. The property has a 3,000 square foot site and is located in Lake View Township, Cook County. The property is a Class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted

information on four suggested equity comparables, of which two included sales data.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$92,955. The subject property has an improvement assessment of \$79,155, or \$16.37 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables.

In rebuttal, the appellant argued that the comparables submitted as evidence by the board of review were assessed lower than the subject. The appellant reaffirmed the request for an assessment reduction.

### **Conclusion of Law**

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #4, and the board of review's comparables #1 and #2. These comparables had improvement assessments that ranged from \$11.81 to \$14.72 per square foot of living area. The subject's improvement assessment of \$16.37 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
