

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Gawronski  
DOCKET NO.: 12-21347.001-R-1  
PARCEL NO.: 14-30-410-004-0000

The parties of record before the Property Tax Appeal Board are Charles Gawronski, the appellant, by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 12,500  
**IMPR.:** \$ 41,583  
**TOTAL:** \$ 54,083

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property contains two improvements. Improvement #1 is a 122 year-old, one and one-half-story dwelling of frame construction containing 2,092 square feet of living area. Features of the home include a full unfinished basement and central air conditioning. Improvement #2 is a 122 year-old, one and one-half-story dwelling of frame construction containing 1,360 square feet of living area. Features of the home include central air conditioning. The property has a 3,125 square foot site and is located in Lake View Township, Cook County. The

property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables for Improvement #1. No evidence was submitted for Improvement #2.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,083. Improvement #1 has an improvement assessment of \$21,422, or \$10.24 per square foot of living area. Improvement #2 has an improvement assessment of \$20,161, or \$14.82 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables for Improvement #1 and on two for Improvement #2.

In rebuttal, the appellant argued that the board of review's comparables for Improvement #1 were dissimilar to the subject. The appellant reaffirmed the request for an assessment reduction.

#### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity for Improvement #1 to be the appellant's comparables #1, #2, #3 and #4, and the board of review's comparables #2 and #3. These comparables had improvement assessments that ranged from \$9.20 to \$14.04 per square foot of living area. The subject's Improvement #1 assessment of \$10.24 per square foot of living area falls within the range established by the best comparables in this record. The parties did not submit "not less than three comparable properties" for Improvement #2. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvements were inequitably assessed and holds that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
