

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Henry Rico
DOCKET NO.: 12-21378.001-C-1
PARCEL NO.: 14-20-420-064-1001

The parties of record before the Property Tax Appeal Board are Henry Rico, the appellant(s), by attorney Liat R. Meisler, of Golan Christie Taglia LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,661
IMPR.: \$70,380
TOTAL: \$76,041

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board (Board) finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 13-year old, masonry, first floor, 817 square foot, commercial condominium unit within a mixed-use condominium building. The property is located Lake View Township, Cook County and is classified as a class 5-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted limited descriptions and sales information on three properties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,041. The subject's total assessment reflects a market value of \$304,164 or \$372.29 per square foot using the Cook County Real Estate Classification Ordinance level of assessment of 25% for class 5 properties.

In support of the correct assessment, the board of review submitted portions of the property characteristic printout for the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds that the appellant failed to submit sufficient evidence to determine if the subject is overvalued. Although the comparables presented by the appellant are similar in location, use, and design, the appellant failed to submit data on the subject's and the comparables' percentage of ownership or the comparables' square footage which is one of the main factors in determining comparability and the Board is unable to determine comparability to the subject property. Therefore, the Board finds the appellant failed to show by a preponderance of the evidence that the subject is overvalued and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
