

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Light
DOCKET NO.: 12-21775.001-R-1
PARCEL NO.: 28-13-113-014-0000

The parties of record before the Property Tax Appeal Board are John Light, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 1,755
IMPR: \$ 427
TOTAL: \$ 2,182

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 54 year-old, one-story dwelling of frame construction containing 1,073 square feet of living area. Features of the home include a slab foundation. The property has an 11,700 square foot site and is located in Bremen Township, Cook County. The subject is classified as a Class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted an Illinois Real Estate

Transfer Declaration disclosing the subject property was purchased by John Light and sold by Raymond Ballantyne on February 4, 2011 for a price of \$21,820. The appellant also submitted real estate transfer declarations from a prior transaction disclosing the purchase of the subject by Raymond Ballantyne, and a Judicial Sale Deed for that prior transaction. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,993. The subject's assessment reflects a market value of \$59,930 or \$55.85 per square foot of living area, when using the board of review's indicated size of 1,073 square feet and when applying the 2012 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three suggested comparable sales and on the February 2011 sale of the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in February 2011 for a price of \$21,820. The appellant submitted a copy of the PTAX-203 Illinois Real Estate Transfer Declaration. The Board finds the board of review did not present any evidence to challenge the arm's-length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$21,820 as of January 1, 2012 and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2012 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
