

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Nugent  
DOCKET NO.: 12-22149.001-R-1  
PARCEL NO.: 14-05-204-023-0000

The parties of record before the Property Tax Appeal Board are George Nugent, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 20,250  
**IMPR.:** \$ 161,750  
**TOTAL:** \$ 182,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a four-story, multi-family dwelling with eight apartments therein. The dwelling was constructed in 2005. Features of the home include a full basement and eight gated parking spaces. The property has a 7,400 square foot site and is located in Lake View Township, Cook County. The subject is classified as a class 3-91 property

under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$1,820,000 as of December 5, 2011. The appraisal used 5 sale comparables in the sales comparison approach to value and 6 rental comparables in the income approach to value. The appraisal indicated that based upon an inspection, the subject's improvement contained 15,675 square feet of living area including the finished basement area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$187,000. The subject's assessment reflects a market value of \$1870,000 or \$117.06 per square foot of living area, using 15,975 square feet, when applying the 10% three year average median level of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted raw, unadjusted data regarding five suggested comparable sales.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value and improvement size to be the *appraisal submitted by the appellant*. The Board finds the subject property had a market value of \$1,820,000 as of the assessment date at issue. Since market value has been established the 10% three year median level of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
