

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Broadway M & P, LLC
DOCKET NO.: 12-22371.001-C-1
PARCEL NO.: 14-05-208-008-0000

The parties of record before the Property Tax Appeal Board are Broadway M & P, LLC, the appellant(s), by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$75,037
IMPR.: \$9,112
TOTAL: \$84,149

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a parcel of land improved with a commercial building and a residential building. The property is located in Lake View Township, Cook County and is a class 5 and class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal for a property other than the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$84,149. The subject's assessment reflects a market value of \$341,474 when applying the level of assessments for class 5 and class 2 property under the Cook County Real Property Assessment Classification Ordinance of 25% and 10%, respectively.

In support of its contention of the correct assessment the board of review submitted information on five sales comparables and four equity comparables.

In rebuttal, the appellant submitted a letter asserting that the board of review's evidence was insufficient based on a board of review level appeal.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the appellant failed to submit any evidence addressing the subject's market value and gives no weight to the appraisal of a property other than the subject. The Board further finds that the sales and equity comparables submitted by the board of review support the subject's assessment and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
