

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yu Feng Gao
DOCKET NO.: 12-22487.001-C-1
PARCEL NO.: 25-06-322-038-0000

The parties of record before the Property Tax Appeal Board are Yu Feng Gao, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,768
IMPR.: \$53,982
TOTAL: \$72,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 9,100 parcel of land improved with a 48-year old, masonry, one-story, commercial building containing 9,000 square feet of building area. The property is located in Lake Township, Cook County and is a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased in November 2011 for a price of \$291,000. The appellant included a copy of the escrow trust disbursement statement.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$143,438. The subject's assessment reflects a market value of \$573,752 using the Cook County Ordinance level of assessment for class 5 property of 25%.

In support of the assessment, the board of review submitted five sales comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in November 2011 for a price of \$291,000. The appellant provided evidence demonstrating the sale of the subject was an arm's length transaction. The board of review did not refute the arm's length nature of the sale. Therefore, the Board finds the subject had a market value of \$291,000. Since the market value of this parcel has been established, the Cook County Ordinance level of assessment for Class 5 property of 25% will apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
