

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Adam Koscielak
DOCKET NO.: 12-22526.001-R-1
PARCEL NO.: 18-25-206-017-0000

The parties of record before the Property Tax Appeal Board are Adam Koscielak, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 282
IMPR.: \$ 16,857
TOTAL: \$ 17,139

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of frame and masonry construction with 1,540 square feet of living area. The dwelling is ten years old. Features of the home include a full unfinished basement, central air conditioning, and a one-car garage. The property has an 868 square foot site, and is located in Bridgeview, Lyons Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located in close proximity to the subject. These sales were all either foreclosures or short sales and closed during 2009 through 2012 for prices ranging from \$53.25 to \$77.92 per square foot, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,072. The subject's assessment reflects a market value of \$227,781, or \$147.91 per square foot of living area, including land, when applying the 2012 three year average median level of assessment for class 2 property of 9.69% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on eight equity comparables. The board of review also submitted information on four comparable sales. The board of review's comparables all closed during 2011 but were located in differing cities than that of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparables #1, #2 and #3. These comparables sold for prices ranging from \$53.25 to \$77.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$147.91 per square foot of living area, including land, which is above the range established by the best comparables in this record. After making appropriate adjustments for similarities and differences between the subject and comparables, including adjustments for date of sale and conditions of sale, the Board finds a reduction in the subject's assessment to the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
