

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tom & Maggie Dula
DOCKET NO.: 12-22733.001-R-1
PARCEL NO.: 09-20-119-011-0000

The parties of record before the Property Tax Appeal Board are Tom & Maggie Dula, the appellants, by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,370
IMPR.: \$23,630
TOTAL: \$29,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 84-year old, two-story, frame, single-family dwelling with approximately 2,811 square feet of living area. Features of the home include: a partial basement, central air conditioning, one fireplace and a two-car garage. The property has a 10,230 square foot site and is located in Maine Township, Cook County. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument, the appellants submitted an appraisal estimating that the subject property had a market value of \$290,000 as of February 13, 2012. The appraisal developed two of the three traditional

approaches to value: the sales comparison and the cost approaches to value. The appellants requested a total assessment of \$29,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,448. The subject's assessment reflects a market value of \$324,480 including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted descriptive, assessment, and unadjusted sales information on four suggested comparables. In addition, the board's analysis reflected that the subject was purchased in October, 2009, for a price of \$335,000.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the *appraisal submitted by the appellants*. The Board finds the subject property had a market value of \$290,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
