

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Randall & Lynn Imai
DOCKET NO.: 12-23670.001-R-1
PARCEL NO.: 02-09-402-100-1448

The parties of record before the Property Tax Appeal Board are Randall & Lynn Imai, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,354
IMPR: \$2,794
TOTAL: \$4,148

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a condominium unit with 735 square feet of living area. Features of the home include one bedroom and one bathroom. The property is located in Palatine Township, Cook County. The subject is classified as a class 2 property

under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine suggested comparable sales. Those sales included one two-bedroom and two-bathroom unit and a mix of the larger and smaller one-bedroom and one-bathroom units.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,729. The subject's assessment reflects a market value of \$79,763 when applying the 2012 three year median level of assessment for class 2 property of 9.69% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted a condo analysis that derives the subject's market value based on the total consideration of eight comparable units. The board of review's analysis also deducts 15% of the total consideration of the comparable units for personal property.

On rebuttal and at hearing, the appellant argued that the board of review presented no evidence to support its analysis and no comparables to show similarity to the subject property. The board of review rested on the evidence presented.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's one-bedroom comparable sales. The appellant submitted eight one-bedroom comparables that ranged from 30,450 to 64,500. The subject's assessment reflects a market value above the best evidence of market value in the record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
