

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 601 Carboy, LLC
DOCKET NO.: 12-23697.001-I-1
PARCEL NO.: 08-23-401-015-0000

The parties of record before the Property Tax Appeal Board are 601 Carboy, LLC, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 33,594
IMPR.: \$ 26,210
TOTAL: \$ 59,804

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story building of masonry construction with 32,201 square feet of building area. The building is 35 years old. The property has a 51,684 square foot site, and is located in Mount Prospect, Elk Grove Township, Cook County. The subject is classified as a class 6-63 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted seven comparable sales. The appellant also submitted evidence disclosing the subject property was purchased on August 23, 2011 for a price of \$540,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,304. The subject's assessment reflects a market value of \$1,593,040, or \$49.47 per square foot of building area, including land, when applying the 2012 statutory level of assessment for industrial incentive property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

In support of its contention of the correct assessment, the board of review submitted information on seven comparable sales from the CoStar Comps Service.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in August 2011 for a price of \$540,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction, including disclosing that the parties to the transaction were not related, and that the subject was advertised on the open market. In further support of the transaction, the appellant submitted a special warranty deed affixed with State of Illinois Real Estate Transfer Tax Stamps and a Real Estate Purchase and Sale Agreement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$540,000 as of January 1, 2012. Since market value has been determined the Board finds a reduction in the subject's assessment is warranted to that requested by the appellant.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
