

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sunil Kotak  
DOCKET NO.: 12-23922.001-R-1  
PARCEL NO.: 09-33-106-057-0000

The parties of record before the Property Tax Appeal Board are Sunil Kotak, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,905  
**IMPR.:** \$ 17,952  
**TOTAL:** \$ 21,857

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame construction with 1,496 square feet of living area. The dwelling was constructed in 1975. Features of the home include a slab basement, central air conditioning, and a two-car garage. The property has a 7,100 square foot site and is located in Des Plaines, Maine Township, Cook County.

The appellant argued that there was unequal treatment in the assessment process of the subject's improvement, and also that the fair market value of the subject property was not accurately reflected in its assessed value as the bases of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment information for three properties suggested as comparable to the subject.

In support of the market value argument, the appellant submitted sale information on five comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,116. The subject's assessment reflects a market value of \$269,514 or \$180.16 per square foot of living area, land included, when using the 2012 three year median level of assessment for Cook County of 9.69% as determined by the Illinois Department of Revenue. Lastly, the subject property has an improvement assessment of \$22,211 or \$14.85 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and sale information on one of the equity comparables.

In rebuttal, the appellant distinguished the board of review's comparables from the subject based on size.

#### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant has meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables. These comparables had improvement assessments that ranged from \$11.04 to \$12.16 per square foot of living area. The subject's improvement assessment of \$14.85 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified. Since a reduction was granted per the appellant's equity argument, no further market value analysis shall be

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
