

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wazny Ryszard  
DOCKET NO.: 12-23927.001-R-1  
PARCEL NO.: 09-24-428-028-0000

The parties of record before the Property Tax Appeal Board are Wazny Ryszard, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 4,218**  
**IMPR.: \$ 18,038**  
**TOTAL: \$ 22,256**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of masonry construction with 1,044 square feet of living area. The dwelling was constructed in 1956. Features of the home include a full basement, central air conditioning, and a two-car garage.

The property has a 6,250 square foot site and is located in Maine Township, Cook County. The property is a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$230,000 as of October 5, 2012. The appellant's appeal form grid sheet lists the property characteristics and assessment information for appraisal comparables #1, #2, and #3.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,756. The subject's assessment reflects a market value of \$265,800 or \$254.60 per square foot of living area, including land, when applying the 2012 three year average median level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.69% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted assessment information for eight comparable properties. Five of the eight properties have recent sales.

At hearing, the appellant stated that the subject property has a higher assessment than the comparables. In addition, the appellant requested that the Board reduce the subject's assessment based on the appellant's previously submitted appraisal. The board of review's representative, objected to the appraisal as the appraiser was not present to testify. The administrative law judge sustained the objection and stated that the comparable sales listed in the appraisal would be considered; however, the appraiser's adjustments would be given no weight. The board of review's representative stated that the subject's assessment was supported by the evidence previously submitted by the board of review.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale,

comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #2, and #3 and board of review comparable #2. These comparables have sale prices that range from \$210.30 to \$249.02 per square foot of living area, including land. The subject's assessment reflects a market value of \$254.60 per square foot of living area, including land which is above the range of the most similar comparables. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
