

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Momir Milinovich
DOCKET NO.: 12-24107.001-R-1
PARCEL NO.: 14-17-110-026-1005

The parties of record before the Property Tax Appeal Board are Momir Milinovich, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,637
IMPR: \$ 14,363
TOTAL: \$ 18,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a residential condominium unit with 1,200 square feet of living area. The six-unit building is 109 years old of masonry construction. The property has a 7,950 square foot site and is located in Lake View Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales and five listings.

In addition, the appellant submitted a letter dated January 9, 2013 outlining the steps he has taken to prepare for this appeal, a copy of a letter from Chase bank showing that the subject property has decreased in value, a list of five properties listed for sale, exterior and interior photos of the subject, copies of printouts from Zillow.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$24,165. The subject's assessment reflects a market value of \$249,381 or \$207.82 square foot of living area, including land, when applying the 2012 three year average median level of assessment for class 2 property of 9.69% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a report that purports to value the subject based on one suggested comparable sale. The report's conclusions are based on the sale plus adjustments for which no authority is cited. This sale took place January 2005 and sold for \$274,000. The analysis indicated that the full value of the subject unit is \$164,400. Based on this analysis, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sales. These comparables sold for prices ranging from \$180,000 to \$225,000 or from \$102.86 to \$157.75 per square foot of living area, including land. The subject's assessment reflects a market value of \$249,381, or \$207.82 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
