

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Katarzyna Kobylarczyk
DOCKET NO.: 12-24781.001-R-1
PARCEL NO.: 23-06-200-024-0000

The parties of record before the Property Tax Appeal Board are Katarzyna Kobylarczyk, the appellant, by attorney Joel Buikema, of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,445
IMPR.: \$7,055
TOTAL: \$12,500

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a one-story dwelling of frame construction. The dwelling is approximately 60 years old and has 1,754 square feet of living area. Features of the home include a concrete slab foundation and a two and one-half car garage. The property has a 43,560 square foot site and is located in Hinsdale, Lyons Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property is an owner-occupied residence that was the subject matter of appeal before the Property Tax Appeal Board for the prior year under docket number 11-25419.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$12,500 based upon the evidence submitted by the parties. The Property Tax Appeal Board takes notice that 2011 and 2012 are within the same general assessment period for Lyons Township. (86 Ill.Admin.Code §1910.90(i)).

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on September 7, 2011 for a price of \$125,000.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$29,913 (\$5,445 for land and \$24,468 for the improvement) was disclosed. The subject's assessment reflects a market value of \$299,130 or \$170.54 per square foot of living area, land included, when applying the 10% level of assessment for class 2 residential properties under the Cook County Real Property Assessment Classification Ordinance. In support of the subject's assessment, the board of review submitted descriptions and assessment information on four comparable sales that sold from October 2010 to August 2011 for prices that ranged from \$175,000 to \$310,000 or from \$165.72 to \$204.89 per square foot of living area, land included.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2011 assessment to \$12,500. The record further indicates the subject property is an owner-occupied dwelling. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
