

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: LaGrange Citgo, Inc.
DOCKET NO.: 12-24873.001-C-1 through 12-24873.002-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are LaGrange Citgo, Inc., the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
12-24873.001-C-1	15-28-310-019-0000	24,961	51,988	\$76,949
12-24873.002-C-1	15-28-310-020-0000	7,875	2,734	\$10,609

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story gas station building of masonry construction. It was constructed in 1989. The property has a 12,509 square foot site and is located in Proviso Township, Cook County. The subject is classified as a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable sales. The appellant's grid sheet indicates

the subject contains 874 square feet of building area. No evidence in support of this contention was submitted.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$87,558. The subject's assessment reflects a market value of \$350,232 or \$359.58 per square foot of building area (using 974 square feet of building area), including land, when applying the 2012 level of assessment for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25%.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The board of review submitted the subject's property record card that includes a schematic drawing of the subject property and indicates the subject contains 974 square feet of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

For the purposes of this appeal, the Board finds the subject contains 974 square feet of building area. The Board also finds the best evidence of market value to be appellant's comparable sales #1, #3, and #8. These comparables sold for prices ranging from \$175.00 to \$375.00 per square foot of building area, including land. The subject's assessment reflects a market value of \$359.58 per square foot of building area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
