

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vernell Valentine  
DOCKET NO.: 12-25054.001-C-1  
PARCEL NO.: 19-36-215-022-0000

The parties of record before the Property Tax Appeal Board are Vernell Valentine, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 8,856  
IMPR.: \$ 22,382  
TOTAL: \$ 31,238**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 56 year-old, one-story building of masonry construction. The property has a 2,725 square foot site and is located in Lake Township, Cook County. The property is a class 5-17 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on two closed comparable sales (one listed on the appellant's Grid Analysis and the other listed as comparable #2 in the appellant's supplemental brief), four active sale listings and one property for which information of sale date was not disclosed. The appellant also submitted part of the first page of an Exclusive Right to Sell Listing Agreement for the subject and disclosed that the subject was purchased in 1992 for \$65,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,238. The subject's assessment reflects a market value of \$124,952, or \$102.00 per square foot of improvement area including land, when applying the 25% level of assessment for Class 5 property as determined by the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on five suggested sale comparables.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparable sale #2 in the appellant's supplemental brief, and the board of review comparable sales #3 and #5. These comparables sold for prices ranging from \$40.76 to \$284.93 per square foot of living area, including land. The subject's assessment reflects a market value of \$102.00 per square foot of living area including land, which is within the range established by the best comparable sales in this record. The 1992 sale of the subject is too remote in time to be reliable

evidence of market value in the 2012 tax lien year. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
