

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pangea Equity  
DOCKET NO.: 12-25093.001-R-1  
PARCEL NO.: 19-24-211-023-0000

The parties of record before the Property Tax Appeal Board are Pangea Equity, the appellant, by attorney Maureen C. Pikarski, of Gordon & Pikarski in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 5,093  
**IMPR.:** \$15,240  
**TOTAL:** \$20,333

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 90 year-old, three-story apartment building of masonry construction containing 12,438 square feet of living area. Features of the building include a full unfinished basement. The property has a 6,174 square foot site and is located in Lake Township, Cook County. The subject is classified as a Class 3-15 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted an Escrow Trust

Disbursement Agreement disclosing the subject property was purchased on October 6, 2011 for a price of \$203,333. Based on this evidence, the appellant requested an assessment reduction to \$15,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,814. The subject's assessment reflects a market value of \$318,140 or \$25.58 per square foot of living area, when using the board of review's indicated size of 12,438 square feet and when applying the 2012 level of assessment of 10.00% for Class 3 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on five unadjusted suggested comparable sales.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in October 2011 for a price of \$203,333. The appellant provided evidence demonstrating the sale had the elements of an arm's-length transaction. The appellant submitted a copy of the Escrow Trust Disbursement Agreement. The Board finds the board of review did not present any evidence to challenge the arm's-length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$203,333 as of January 1, 2012 and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2012 level of assessment of 10.00% for Class 3 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
