

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Zorica Ledic  
DOCKET NO.: 12-25258.001-C-1  
PARCEL NO.: 20-14-222-036-0000

The parties of record before the Property Tax Appeal Board are Zorica Ledic, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 11,217  
**IMPR.:** \$ 146,207  
**TOTAL:** \$ 157,424

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a four-story retail/apartment building with 24,219 square feet of building area. It was constructed in 1922. The property has a 9,348 square foot site and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 3-18 property and assessed at 10% under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information

on five suggested comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$198,525. The subject's assessment reflects a market value of \$1,985,250 or \$81.97 per square foot of building area, including land, when applying the 2012 statutory level of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on five suggested comparable sales.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #3, #4 and #5, as well as the board of review's comparable sale #2. These comparables sold for prices ranging from \$13.32 to \$89.62 per square foot of building area, including land. The subject's assessment reflects a market value of \$81.97 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. However, the appellant's comparables were adjusted upward for conditions of sale, while the board of review's comparable was adjusted downward for date of sale. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
