

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jones & Cleary Roofing Co., Inc.
DOCKET NO.: 12-25778.001-I-1 through 12-25778.009-I-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Jones & Cleary Roofing Co., Inc., the appellant(s), by attorney John P. Fitzgerald, of Fitzgerald Law Group, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a four building, one and part two-story industrial building complex containing a total of

21,250 square feet of building area. It was built in 1894 and is situated on a 53,850 square foot site. It is located in Chicago, Hyde Park Township, Cook County, and is classified as Class 5-93 property under the Cook County Real Property Classification Ordinance and assessed at 25% of fair market value.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$380,000 as of January 1, 2012.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$111,560. The subject's assessment reflects a market value of \$446,240, or \$21.00 per square foot, including land, when applying the assessment level of 25% as established by the Cook County Real Property Classification Ordinance. In support of the subject's assessment, the board of review submitted a descriptive assessor printout for one parcel. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$380,000 as of the assessment date at issue. Since the market value of this parcel has been established, the assessment level of 25% as established by the Cook County Real Property Assessment Classification Ordinance in effect for tax year 2012 shall apply. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
