

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ayana Haarun
DOCKET NO.: 12-25815.001-R-1
PARCEL NO.: 20-03-211-058-1001

The parties of record before the Property Tax Appeal Board are Ayana Haarun, the appellant(s), by attorney David C. Dunkin, of Arnstein & Lehr, LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,266
IMPR.: \$7,634
TOTAL: \$9,900

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a single, vacant, residential condominium unit with 1,650 square feet of living area and has a 14.89% interest in the condominium as a whole. The dwelling is 134 years old. The property has a 12,687 square foot site and is located in Hyde Park Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$99,000 as of July 11, 2012. The appellant requested an assessment of 10% of the appraised value, or \$9,900.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,606. The subject's assessment reflects a market value of \$256,060, including land, when applying the 2012 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted four comparable sales. The board also submitted a memo regarding the subject's foreclosure, a notice of foreclosure, a judicial sale deed, a PTAX-203 form, and a Multiple Listing Service printout.

In written rebuttal, the appellant stated the board's comparables are not located in the subject condominium building.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$99,000 as of the assessment date at issue. Since market value has been established the 2014 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
