

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gus Tzoumas
DOCKET NO.: 12-25872.001-C-1 through 12-25872.003-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Gus Tzoumas, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C., in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
12-25872.001-C-1	18-03-425-003-0000	12,768	1,440	\$14,208
12-25872.002-C-1	18-03-425-004-0000	9,143	17,433	\$26,576
12-25872.003-C-1	18-03-425-005-0000	9,143	11,323	\$20,466

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, multi-tenant commercial strip center of masonry construction that was built in 1987. The building contains 6,222 square feet of building area. The building is situated on a 22,586 square foot site. The subject property is located in Lyons Township, Cook County, Illinois. The subject is classified as a Class 5-90 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal report estimating the subject property had a market value of \$245,000 as of January 1, 2012. The appraiser developed the sales comparison and income approaches to value in arriving at the final opinion of value.

The appellant also submitted the final decision(s) issued by the Cook County Board of Review disclosing the subject property's total assessment of \$110,546. The subject's assessment reflects an estimated market value of \$442,184 when applying the Cook County Real Property Assessment Classification Ordinance level of assessment for Class 5 property of 25%. Based on this evidence, the appellant requested the subject's assessment be reduced to reflect the appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value contained in this record is the appraisal submitted by the appellant estimating the subject property had a market value of \$245,000 as of January 1, 2012. The subject property's final assessment reflects an estimated market value of \$442,184, which is considerably more than the appraised value as submitted by the appellant. The board of review did not submit any evidence in support of the correct assessment of the subject property or to refute the value evidence submitted by the appellant. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). Based on this evidence, the Board finds a reduction in the subject's assessment is warranted. Since fair market value has been established, the Cook County Real Property Assessment Classification Ordinance level of assessment for Class 5 property of 25% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
