

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Deblase
DOCKET NO.: 12-26100.001-R-1
PARCEL NO.: 09-20-319-010-0000

The parties of record before the Property Tax Appeal Board are William Deblase, the appellant, by attorney Adam E. Bossov of the Law Offices of Adam E. Bossov, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,069
IMPR.: \$24,281
TOTAL: \$28,350

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story dwelling of frame and masonry construction. The dwelling is approximately 44 years old and has 2,661 square feet of living area. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 7,077 square foot site and is located in Des Plaines, Maine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board for the prior year under docket number 11-24060.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$28,350 based upon the evidence submitted by the parties. The Property Tax Appeal Board takes notice that 2011 and 2012 are within the same general assessment period for Maine Township. (86 Ill.Admin.Code §1910.90(i)).

The appellant's appeal is based on overvaluation. The appellant submitted evidence disclosing the subject property was purchased on September 16, 2010 for a price of \$283,500. The appellant also submitted an appraisal report. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$37,822 (\$4,069 for land and \$33,753 for the improvement) was disclosed. The subject's assessment reflects a market value of \$378,220 or \$142.13 per square foot of living area, land included, when applying the 10% level of assessment for class 2 residential properties under the Cook County Real Property Assessment Classification Ordinance. The board of review submitted descriptions and assessment information on four comparable sales to demonstrate the subject's assessment reflected the property's market value. These properties sold from June 2009 to October 2011 for prices that ranged from \$345,000 to \$410,000 or from \$124.28 to \$185.19 per square foot of living area, land included.

The appellant's attorney submitted a rebuttal brief.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2011 assessment to \$28,350. The record further indicates that the subject property is an owner occupied dwelling. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
