

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laverne Lewis  
DOCKET NO.: 12-26474.001-R-1  
PARCEL NO.: 20-03-423-011-0000

The parties of record before the Property Tax Appeal Board are Laverne Lewis, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,550  
**IMPR.:** \$0  
**TOTAL:** \$1,550

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a vacant parcel of land with a 3,000 square foot site and located in Hyde Park Township, Cook County. The subject is classified as a Class 2-41 property, vacant land under common ownership with adjacent residence, under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a black-and-white photograph of the subject disclosing a vacant parcel. The appellant also submitted the PTAX-203 Illinois Real Estate Transfer Declaration disclosing the subject property was a vacant parcel and purchased for a price of \$15,500. The appellant also submitted partial information in Section IV – Recent Sale Data of the Residential Appeal that the subject was purchased on November 18, 2011 from Ex Sites LLC and was not a transfer between related parties. Based on this evidence, the appellant requested a reduction in the subject's assessment to

reflect the purchase price when applying the 2012 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$3,600. The subject's assessment reflects a market value of \$36,000, or \$12.00 per square foot of land, when applying the 2012 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on eight suggested equity comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in November 2011 for a price of \$15,500. The appellant provided evidence demonstrating the sale had the elements of an arm's-length transaction. The appellant disclosed in Section IV - Recent Sale Data of the appeal that the parties to the transaction were not related. In further support of the transaction, the appellant submitted a copy of the PTAX-203 Illinois Real Estate Transfer Declaration. The Board finds the board of review did not present any evidence to challenge the arm's-length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$15,500 as of January 1, 2012 and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2012 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
