

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Philip Santarelli
DOCKET NO.: 12-26698.001-R-1
PARCEL NO.: 12-36-415-027-0000

The parties of record before the Property Tax Appeal Board are Philip Santarelli, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,389
IMPR.: \$ 12,569
TOTAL: \$ 16,958

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half story dwelling of frame and masonry construction with 1,268 square feet of living area. The dwelling was constructed in 1951. Features of the home include a full unfinished basement, central

air conditioning, and a one and one-half car garage. The property has a 5,320 square foot site and is located in Elmwood Park, Leyden Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$175,000 as of January 1, 2010. In addition, the appellant submitted a comparative market analysis completed by a real estate agent estimating the market value of \$156,750 dated March 12, 2013. Lastly, the appellant submitted a real estate contract which was not accepted by the appellant for a sale price of \$91,112 and a listing sheet for the subject of \$179,900.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,000. The subject's assessment reflects a market value of \$206,398 or \$162.77 per square foot of living area, land included, when using the 2012 three year median level of assessment for Cook County of 9.69% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted four equity comparables including sale information for each comparable.

In rebuttal, the appellant distinguished the board of review's comparables based on condition and amenities and included the MLS sheets for each comparable.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$206,398, which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$175,000 as of the

assessment date at issue. Since market value has been established the 2012 three year average median level of assessments for Cook County of 9.69% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(1)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
