

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Community Bank of DuPage
DOCKET NO.: 12-26859.001-R-1 through 12-26859.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Community Bank of DuPage, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
12-26859.001-R-1	20-03-113-044-0000	3,026	59	\$ 3,085
12-26859.002-R-1	20-03-113-045-0000	8,025	356	\$ 8,381

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a vacant parcel of land containing 14,735 square feet. It is located in Chicago, Hyde Park Township, Cook County. The property is a class 1-90 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. They are all classified

as Class 1-00 property and had a land assessment per square foot ranging from \$0.35 to \$0.75.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$18,097, indicating an assessment per square foot of \$1.20. In support of its contention of the correct assessment the board of review submitted information on five suggested sale comparables located in Chicago, ranging in size from 0.03 to 10.54 acres of land. They sold for an unadjusted range of \$15.19 to \$89.99 per square foot.

The board of review also submitted the property record cards for the subject indicating an aggregate improvement assessment of \$415.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables. These comparables had a land assessment per square foot ranging from \$0.35 to \$0.75. The subject's land assessment per square foot is \$1.20, which is above the range established by the best comparables contained in this record. Accordingly, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's land assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
