

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ahmad Sabet
DOCKET NO.: 12-26899.001-C-1
PARCEL NO.: 17-06-105-030-0000

The parties of record before the Property Tax Appeal Board are Ahmad Sabet, the appellant(s), by attorney Timothy E. Moran, of Schmidt Salzman & Moran, Ltd in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,750
IMPR.: \$118,277
TOTAL: \$131,027

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board (Board) finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 5,000 square foot parcel of land improved with a 83-year old, three-story, mixed-use building containing 13,311 square feet of building area. The property is located in West Chicago Township, Cook County and is classified as a 3-18 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contended inequity as the basis of the appeal. In support of the equity argument the appellant submitted 112 equity

comparables. The data on these comparables includes the property identification number, the neighborhood code, the class, the building square footage, the address, the total assessment and the market value price per square foot based on the total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$131,027 with an improvement assessment of \$118,277 or \$8.89 per square foot of building area. In support of its contention of the correct assessment, the board of review submitted five sales comparables.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The appellant presented a total of 112 equity comparables. However, the Board finds the appellant failed to present any data on these comparables to allow for a comparability analysis. Moreover, the appellant failed to breakout the assessment based on the land and the improvement so that the Board could determine if the subject is over assessed. Therefore, the Board finds the appellant failed to submit sufficient evidence to show the subject in over assessed and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
