

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Capra
DOCKET NO.: 12-26932.001-C-1
PARCEL NO.: 17-18-128-036-0000

The parties of record before the Property Tax Appeal Board are George Capra, the appellant(s), by attorney Timothy E. Moran, of Schmidt Salzman & Moran, Ltd in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,136
IMPR.: \$0
TOTAL: \$2,136

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board (Board) finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2,540 square foot parcel of vacant, residential land. The property is located in West Chicago Township, Cook County and is classified as 1-00 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contended inequity as the basis of the appeal. In support of the equity argument the appellant submitted six equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the assessment for the subject of \$6,350 or \$2.50 per square foot. In support of its contention of the correct assessment, the board of review submitted sales information on eight comparables.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The appellant presented a total of six equity comparables. The Board finds these comparables similar to the subject. The comparables have assessments from \$.83 to \$.85 per square foot. In comparison, the subject's assessment of \$2.50 per square foot falls above the range established by the comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
