

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 7234 S. Constance Ave LLC
DOCKET NO.: 12-27039.001-C-1
PARCEL NO.: 20-25-118-001-0000

The parties of record before the Property Tax Appeal Board are 7234 S. Constance Ave LLC, the appellant(s), by attorney Anthony M. Farace, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 10,050
IMPR.: \$ 83,700
TOTAL: \$ 93,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a three-story building of masonry construction with 24,612 square feet of building area. The building is 85 years old. The property has a 13,400 square foot site, and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 3-15 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on March 6, 2012 for a price of \$937,500. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$112,001. The subject's assessment reflects a market value of \$1,120,010, or \$45.51 per square foot of building area, including land, when applying the 2012 statutory level of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales from the CoStar Comps Service.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in March 2012 for a price of \$937,500. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction, including disclosing that the parties to the transaction were not related, and the property was advertised for sale on the open market for 274 days. In further support of the transaction, the appellant submitted a deed affixed with Illinois Real Estate Transfer Tax Stamps, a printout from the CoStar Comps service, and the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$937,500 as of January 1, 2012. Since market value has been determined the 2012 statutory level of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
