

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Garfield Park Redevelopment Ltd
DOCKET NO.: 12-27295.001-R-1
PARCEL NO.: 16-14-113-017-0000

The parties of record before the Property Tax Appeal Board are Garfield Park Redevelopment Ltd, the appellant(s), by attorney Kenneth D. Flaxman, of Edward T. Joyce & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,500
IMPR.: \$0
TOTAL: \$3,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board (Board) finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of vacant lot. The property is located in West Chicago Township, Cook County and is classified as a class 1-00 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted sales information on six comparables. The appellant also argues that the county has incorrectly listed the lot size and that the subject contains 3,494.96 square feet. In support of this, the appellant included the subject's plat of survey.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$3,500. The subject's total assessment reflects a market value of \$35,000 using the Cook County Ordinance level of assessment of 10% for class 1 properties.

In support of its contention of the correct assessment the board of review submitted six sales comparables. The board of review lists the subject's size as 3,500 square feet with no further information.

Conclusion of Law

As to the subject's size, the Board finds that the evidence submitted by the appellant support's the appellant's position and finds the subject's lot size is 3,495 square feet which reflects a market value based on the assessment of \$10.01 per square foot.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables #1, #2, #4, #5, and #6 and the board of review's comparables #2 and #6. These properties sold from April to October 2011 for prices ranging from \$.75 to \$36.85 per square foot. In comparison, the appellant's assessment reflects a market value of \$10.01 per square foot which is within the range established by the comparables. Based on the record and after adjustments to the comparables, the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction to that requested by the appellant is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
