

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Grzegorz & Joanna Lepionka
DOCKET NO.: 12-27394.001-R-1
PARCEL NO.: 03-07-306-023-0000

The parties of record before the Property Tax Appeal Board are Grzegorz & Joanna Lepionka, the appellants, by attorney Kevin Skalnik, of the Law Offices of Kevin A. Skalnik, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,255
IMPR.: \$25,745
TOTAL: \$31,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story dwelling of frame and masonry construction with 2,310 square feet of living area. The dwelling is 40 years old. Features of the home include two full baths, a partial unfinished basement, and a two-car garage. The property has a 10,010 square foot site, and is located in Wheeling Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$310,000 as of May 25, 2011. The appellant also submitted evidence disclosing the subject property was purchased in July 2011 for a price of \$310,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$36,243. The subject's assessment reflects a market value of \$362,430, or \$156.90 per square foot of living area, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables, one of which reflected sale data. The board of review also submitted evidence disclosing the subject property was purchased in 2012 for a price of \$310,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in July 2011 for a price of \$310,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with a listing on the MLS, and it had been on the market for three to six months. In further support of the transaction, the appellant submitted a copy of an appraisal, the conclusory value of which concurred with the subject's purchase price. Based on this record the Board finds the subject property had a market value of \$310,000 as of January 1, 2012. Since the market value of this property has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance in effect for tax year 2012 shall apply, per the appellant's request. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
