

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Medallion Properties, LLC
DOCKET NO.: 12-28006.001-R-1
PARCEL NO.: 25-28-421-032-0000

The parties of record before the Property Tax Appeal Board are Medallion Properties, LLC, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$352
IMPR.: \$858
TOTAL: \$1,210

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction with 930 square feet of living area. The dwelling is 60 years old and has a full unfinished basement. The property has a 5,160 square foot site and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on December 29, 2011 for a price of \$12,100. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,877. The subject's assessment reflects a market value of \$88,770 or \$95.45 per square foot of living area, land included, when using the level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

The appellant submitted a rebuttal brief critiquing the board of review's submission, arguing the board of review's comparables are superior to the subject and requesting the appeal be written on the evidence in the record.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in December 2011 for a price of \$12,100. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service (MLS) and it had been on the market for 6 days. The appellant disclosed in Section IV - Recent Sale Data of the appeal that a renovation expenditure of \$17,289.34 was spent prior to occupying the subject property on February 24, 2012. However, the Board finds the additional amount spent on renovation was not completed prior to the January 1, 2012 assessment date. In further support of the transaction the appellant submitted a copy of the settlement statement and Escrow Trust Disbursement Statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. The Board gave less weight to the board of review's sales evidence, as this evidence does not overcome the weight of the subject's arm's-length sale transaction. Based on this record, the Board finds a reduction in the subject's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
