

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cribs Realty LLC
DOCKET NO.: 12-28016.001-R-1
PARCEL NO.: 25-02-117-025-0000

The parties of record before the Property Tax Appeal Board are Cribs Realty LLC, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,860
IMPR.: \$4,980
TOTAL: \$6,840

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame and masonry construction with 798 square feet of living area. The dwelling is 114 years old. Features of the home include a full finished basement and a two-car garage. The property has a 3,100 square foot site and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on December 23, 2009 for a price of \$18,000. The appellant's evidence of the subject's sale included a copy of the Settlement Statement and an affidavit from the buyer's agent.

The appellant also submitted a grid analysis containing four comparable sales from the subject's neighborhood. The sales occurred from April 2010 to February 2011 for prices ranging from \$17,500 to \$25,000 or from \$20.41 to \$29.76 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$1,630.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$6,840. The subject's assessment reflects a market value of \$68,400 or \$85.71 per square foot of living area, land included, when using the level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales from the subject's neighborhood. The sales occurred from August 2009 to March 2010 for prices ranging from \$99,000 to \$140,000 or from \$125.00 to \$146.63 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

The appellant submitted a rebuttal brief critiquing the board of review's submission, arguing that the board of review's sales are grossly different than the subject in size, are superior to the subject and requesting the appeal be written on the evidence in the record.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the appellant's comparables and the board of review's comparable #1. These comparables had various similarities to the subject. These properties also sold more proximate in time to the assessment date at issue than did the subject. The comparables sold for prices ranging from \$17,500 to \$140,000 or from \$20.41 to \$141.70 per square foot of living area, including land. The subject's assessment reflects a market value of \$68,400 or \$85.71 per square foot of living area, including land, which is within the range of the best comparable sales in this record. The Board gave little weight to the subject's sale due to the fact the sale did not occur proximate in time to the assessment date at issue. Likewise, the Board gave less weight to the board of review's remaining comparables due to the fact the sales did not occur proximate in time to the assessment date at issue. Based on this record the Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
