

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chad Johnstun
DOCKET NO.: 12-28020.001-R-1
PARCEL NO.: 20-22-303-023-0000

The parties of record before the Property Tax Appeal Board are Chad Johnstun, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,645
IMPR.: \$5,355
TOTAL: \$9,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 4,050 square foot parcel of land improved with a 99-year old, one and one-half story, frame and masonry, single-family dwelling. The property is located in Hyde Park Township, Cook County and is a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$90,000 as of January 1, 2012. The appellant also included evidence regarding a sale in August 2011. The settlement statement discloses a sale price of \$69,250 while the affidavit attests to a sale price of \$90,000. The appellant requested an assessment of 10% of the appraisal value or sale price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$11,298. The subject's assessment reflects a market value of \$112,980 when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three sales comparables.

In rebuttal, the appellant submitted a letter asserting that the board of review's comparables are not similar to the subject and that it did not dispute the sale price.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$90,000 as of the assessment date at issue. The Board gives less weight to the sale of the subject as the evidence provided by the appellant has conflicting sales data. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
