

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elsie Dahlin  
DOCKET NO.: 12-28039.001-R-1  
PARCEL NO.: 26-31-218-017-0000

The parties of record before the Property Tax Appeal Board are Elsie Dahlin, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 1,562**  
**IMPR: \$ 8,109**  
**TOTAL: \$ 9,671**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a two-story, frame multi-dwelling of frame construction. It contains 1,530 square feet of living area. The building is 124 years old and is situated on a 3,125 square foot site, located in Chicago, Hyde Park Township, Cook

County. The subject is classified as class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of the overvaluation argument, the appellant submitted evidence of four suggested sale comparables. Comparables #2 and #3 sold in 2012, while comparables #1 and #4 were pending sales according to the appellant. The pending and actual sale prices ranged from \$18.53 to \$77.41 per square foot, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,671. The subject's assessment reflects a market value of \$99,804 or \$65.23 per square foot of living area, including land, when applying the 2012 three year average median level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.69% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted three suggested comparable sales. They sold in 2010 and 2011 for prices ranging from \$150,000 to \$249,000, or from \$65.79 to \$129.55 per square foot, including land.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparables #2 and #3, and the board of review's comparables #1 through #3. The appellant's comparables #1 and #4 were given no weight as they were pending sales. The most similar comparables sold for prices ranging from \$23.61 to \$129.55 per square foot of living area, including land. The subject's assessment reflects a market value of \$65.23 per square foot of living area, including land, which is within the range established by the best comparables in this record. Based

Docket No: 12-28039.001-R-1

on this record, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
