

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Perri
DOCKET NO.: 12-28060.001-R-1
PARCEL NO.: 12-03-106-004-0000

The parties of record before the Property Tax Appeal Board are John Perri, the appellant(s), by attorney Mark Romano, Attorney at Law in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,650
IMPR.: \$50,803
TOTAL: \$55,453

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, multi-family dwelling of masonry construction with 5,292 square feet of living area. The dwelling was constructed in 1969. The property has a 6,000 square foot site and is located in Leyden Township, Cook County. It is classified as Class 2 property under the Cook County Real Property Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables on the grid sheet, as well as a memorandum listing six additional properties with no descriptive data.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$55,836. The subject property has an improvement assessment of \$51,186 or \$9.67 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 through #4 and the board of review's comparables #1 through #4. These comparables had improvement assessments that ranged from \$9.07 to \$9.62 per square foot of living area. The subject's improvement assessment of \$9.67 per square foot of living area falls slightly above the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
