

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: De Ann O'Donovan
DOCKET NO.: 12-28213.001-R-1
PARCEL NO.: 13-36-302-025-0000

The parties of record before the Property Tax Appeal Board are De Ann O'Donovan, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,556
IMPR.: \$774
TOTAL: \$5,330

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story mixed-use building of frame construction with 3,560 square feet of living area. The property has a 3,350 square foot site and is located in Chicago, West Chicago Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$85,000 as of July 7, 2012. In addition, the appellant submitted a copy of the settlement statement, deed, and real estate contract confirming the sale of the subject in December 2012 for \$55,000. Appellant requested that the Board apply 2012 three year median level of assessment of 9.69% as determined by the Illinois Department of Revenue.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,217. The subject's assessment reflects a market value of \$301,517 or \$84.70 per square foot of living area, land included, when using the 2012 three year median level of assessment of 9.69% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted four equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in December 2012 for a price of \$55,000. In support of the transaction, the appellant submitted a copy of the settlement statement, deed, and real estate contract. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Additionally, the appraisal submitted by the appellant was given diminished weight because "[a] contemporaneous sale between parties dealing at arm's length is not only relevant to the question of fair cash market value but would be practically conclusive on the issue of whether an assessment was at full value." Residential Real Estate Co. v. Prop. Tax Appeal Bd., 188 Ill.App.3d 232, 242 (5th Dist. 1989) (citing People ex rel. Korzen v. Belt Ry. Co. of Chicago, 37 Ill.2d 158 (1967)). Based on this record, the Board finds the subject property had a market value of \$55,000 as of January 1, 2012. Since market value has been determined, the level of assessment for class 2-12 properties of 9.69% as determined by the Illinois Department of Revenue shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
