

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Boleslaw Grzywacz  
DOCKET NO.: 12-28432.001-R-1  
PARCEL NO.: 24-07-407-024-0000

The parties of record before the Property Tax Appeal Board are Boleslaw Grzywacz, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 3,163  
IMPR: \$ 15,064  
TOTAL: \$ 18,227**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-level dwelling of frame and masonry construction with 1,025 square feet of living area. The dwelling is 45 years old. Features of the home include three bedrooms, one full bath, and a one-car garage. The property has

an 8,437 square foot site and is located in Chicago Ridge, Worth Township, Cook County. The property is a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a settlement statement disclosing the subject property was purchased on February 7, 2012 for a price of \$138,000. The appellant's petition also indicates: that the parties were unrelated; that the property was not advertised on the open market for sale; that the property was sold "by owner"; and that \$11,000 was spent renovating the property prior to the appellant's occupancy. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$18,227. The subject's assessment reflects a market value of \$188,101, or \$183.51 per square foot of living area, including land, using the Illinois Department of Revenue's 2012 three year median level of assessment of 9.69%.

In support of its contention of the correct assessment, the board of review submitted information on four sales comparables. These comparables are located in the subject's neighborhood and are similar in design, size and amenities to the subject. They sold from March 2010 through May 2011 for prices ranging from \$194,500 to \$213,000, or from \$178.09 to \$202.37 per square foot, including land.

The board of review also provided evidence that a *Lis Pendens and Notice of Foreclosure* was recorded against the subject property as well as a memorandum regarding "fair cash value".

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this

burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the sale of the subject in February 2012 for \$138,000 was a "compulsory sale." A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36 (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill.App.3d 207, 211 (2d Dist. 1979)).

However, when there is a recent sale of the subject, and that sale is a foreclosure, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. See 35 ILCS 200/16-183 ("The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer."). Such evidence can include the descriptive and sales information for recently sold properties that are similar to the subject. See id. In this case, the appellant did not submit any such evidence to show that the sale of the subject in February 2012 for \$138,000 was at its fair cash value. Moreover, the board of review's four sale comparables indicate that the subject's purchase price was

below its fair market value. Since there is no evidence that the sale price of the subject was at its fair cash value, the Board finds that the subject is not overvalued and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
