

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexander Lipovetsky
DOCKET NO.: 12-28567.001-R-1
PARCEL NO.: 10-22-326-041-1004

The parties of record before the Property Tax Appeal Board are Alexander Lipovetsky, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 1,614
IMPR.: \$ 17,088
TOTAL: \$ 18,702**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a residential condominium unit in a six-unit building. The building is 30 years old and is situated on a 12,915 square foot site. It is located in Skokie, Niles Township, Cook County. The subject is classified as class 2-99

property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject had a market value of \$193,000 as of September 1, 2012.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,719. The subject's assessment reflects a market value of \$275,738 when applying the 2012 three year median level of assessment of 9.69% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted a sales analysis using the sale of unit in the complex that sold in 2005. The analysis indicated that the full value of the subject unit is \$327,320. Based on this analysis, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$193,000 as of the assessment date at issue. Since market value has been established the 2012 three year median level of assessment under the Cook County Real Property Assessment Classification Ordinance of 9.69% as determined by the Illinois Department of Revenue shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
