

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sitex Realty Group
DOCKET NO.: 12-29182.001-I-1 through 12-29182.004-I-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Sitex Realty Group, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
12-29182.001-I-1	03-14-303-006-0000	26,250	66,630	\$ 92,880
12-29182.002-I-1	03-14-303-007-0000	26,250	84,232	\$ 110,482
12-29182.003-I-1	03-14-303-008-0000	26,250	88,478	\$ 114,728
12-29182.004-I-1	03-14-303-009-0000	20,408	4,627	\$ 25,035

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story building with 64,156 square feet of building area. The building is 40 years old. The property has a 120,000 square foot site, and is located in Wheeling, Wheeling Township, Cook County. The subject is classified as a class 5-93 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on February 10, 2011 for a price of \$1,372,500. Based on this evidence, the

appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$449,278. The subject's assessment reflects a market value of \$1,797,112, or \$28.01 per square foot of building area, including land, when applying the 2012 statutory level of assessment for industrial property under the Cook County Real Property Assessment Classification Ordinance of 25.00%.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales from the CoStar Comps Service.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in February 2011 for a price of \$1,372,500. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction, including disclosing that the parties to the transaction were not related, and that the subject was advertised on the open market. In further support of the transaction, the appellant submitted the PTAX-203 Illinois Real Estate Transfer Declaration, an escrow disbursement statement, a Village of Wheeling Transfer Certificate, a special warranty deed affixed with State of Illinois Real Estate Transfer Tax Stamps, and a Real Estate Purchase and Sale Agreement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$1,372,500 as of January 1, 2012. Since market value has been determined the Board finds a reduction in the subject's assessment is warranted to that requested by the appellant.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
