

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yan Katsnelson & 2889 Highland Rd. LLC
DOCKET NO.: 12-29410.001-R-1
PARCEL NO.: 04-20-200-125-0000

The parties of record before the Property Tax Appeal Board are Yan Katsnelson & 2889 Highland Rd. LLC, the appellants, by attorney Steven Kandelman, of Rieff Schramm Kanter & Guttman, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,885
IMPR.: \$ 0
TOTAL: \$1,885

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a parcel of land with 37,690 square feet of land area. The property is located in Northbrook, Northfield Township, Cook County. The subject parcel is classified as a class 1-00 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on 3 equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,978. The subject property has a land assessment of \$0.87 per square foot of land area. In support of its contention of the correct assessment the board of review submitted information on six sale comparables.

In rebuttal, the appellant argued that the board of review's comparables should be given no weight because they were based on raw, unadjusted data, and because all of the comparables except for comparable #5, were dissimilar to the subject as to various key property characteristics. The board of review did not address the appellant's equity argument. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables. These comparables had land assessments of \$0.05 per square foot of land area. The subject's land assessment of \$0.87 per square foot of land area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
