

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anselmo Arroyo
DOCKET NO.: 12-29669.001-R-1
PARCEL NO.: 13-34-409-029-0000

The parties of record before the Property Tax Appeal Board are Anselmo Arroyo, the appellant(s), by attorney David C. Dunkin, of Arnstein & Lehr, LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,250
IMPR.: \$31,250
TOTAL: \$37,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements. Improvement #1 is a two-story multi-family dwelling of frame and masonry construction. Improvement #2 is a coach house. The subject property is owner-occupied and tenant-occupied. The property has a 6,250 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal that utilized the sales and income approaches to value to estimate the subject property had a reconciled market value of \$365,000 as of January 1, 2012. The appraiser estimated the subject's market value was \$375,000 using the sales approach to value and \$355,000 using the income approach to value. Based on the appraisal, the appellant requested an assessment reduction to \$37,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,629. The subject's assessment reflects a market value of \$666,290 including land, when applying the 2012 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables for each of the subject improvements.

In written rebuttal, the appellant stated that the board of review submitted equity evidence while the appellant's appeal is based on market value.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds that a reduction to the appellant's requested assessment of \$37,500 is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
