

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Babjak  
DOCKET NO.: 12-30111.001-R-1  
PARCEL NO.: 13-19-111-023-0000

The parties of record before the Property Tax Appeal Board are Peter Babjak, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,175  
**IMPR.:** \$8,925  
**TOTAL:** \$12,100

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of masonry construction with 1,094 square feet of living area. The dwelling is 85 years old. Features of the home include a full unfinished basement and a two-car garage. The property has a 3,175 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on June 27, 2012 for a price of \$121,000. The appellant's evidence included a copy of the Settlement Statement and an affidavit from the appellant. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,203. The subject's assessment reflects a market value of \$202,030 or \$184.67 per square foot of living area, land included, when using the level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, which are located in the same location code as the subject. The sales occurred from January 2010 to August 2011 for prices ranging from \$225,000 to \$305,000 or from \$175.05 to \$274.53 per square foot of living area including land.

The appellant submitted a rebuttal brief critiquing the board of review's submission and requesting that the appeal be written on the evidence in the record.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in June 2012 for a price of \$121,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised for 113 days. In further support of the transaction the appellant submitted a copy of the Settlement Statement, which disclosed the amount of Broker's Fees that were paid at closing. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. The Board gave less weight to the comparable sales submitted by the board of review, as this evidence does not overcome the weight of the subject's arm's-length transfer in June 2012. In addition, three of the comparables were dissimilar one and one-half story dwellings and had sale dates occurring greater than 13 months prior to the assessment date at issue. Based on this record the Board finds a reduction in the subject's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
