

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 2550 South Leavitt Building LLC
DOCKET NO.: 12-30332.001-I-1 through 12-30332.002-I-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are 2550 South Leavitt Building LLC, the appellant(s), by attorney Brian Grossman, of Worsek & Vihon in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
12-30332.001-I-1	17-30-300-024-0000	7,632	11,311	\$18,943
12-30332.002-I-1	17-30-300-025-0000	56,160	128,983	\$185,143

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story industrial building with 30,186 square feet of building area of steel construction. The property has a 131,508 square foot site and is located in West Chicago Township, Cook County. Subject parcel 17-30-300-025-000 is classified as a class 5 property and parcel 17-30-300-024-0000 is classified as a class 1 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$930,000 as of January 1, 2012.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$303,734. The subject's assessment reflects a market value of

\$1,384,088 or \$45.85 per square foot of building area, including land, when applying the 2012 level of assessment for class 1 and class 5 property under the Cook County Real Property Assessment Classification Ordinance of 10% and 25%, respectively. In support of its contention of the correct assessment the board of review submitted information on six sales.

In written rebuttal, the appellant's attorney stated that the board of review's comparable sales are not adjusted and that some of the board of review's comparable sales appear to be non-arm's length sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$930,000 as of the assessment date at issue. Since market value has been established the 2012 median level of assessment for class 1 and class 5 property under the Cook County Real Property Assessment Classification Ordinance of 10% and 25%, respectively, as determined by the Illinois Department of Revenue shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
