

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronald Pasowicz  
DOCKET NO.: 12-30602.001-R-1  
PARCEL NO.: 17-33-105-031-0000

The parties of record before the Property Tax Appeal Board are Ronald Pasowicz, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,659  
**IMPR.:** \$ 0  
**TOTAL:** \$ 4,659

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 3,106 square foot parcel of vacant land. The property is located in South Chicago Township, Cook County and it is classified as a class 1-00 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on 27 equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,318. The subject property has a land assessment of \$9,318 or \$3.00 per square foot of land. In support of its contention of the correct assessment the board of review submitted sales information on six comparables.

In written rebuttal, the appellant stated that the board of review's comparables are much larger than the subject and are not located within the subject's township. The appellant provided an analysis of each of the board of review's comparables.

At hearing, the appellant reviewed his previously submitted comparables and discussed the board of review's comparables. Upon questioning from the board of review's representative, the appellant stated that he is an engineer and an attorney and that he prepared his evidence.

The board of review's representative stated that of the six comparables submitted by the board, comparable #2 is the most relevant.

#### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #3, #4, #7, #8, #9, #12, #16, #18, and #26. These comparables had land assessments that ranged from \$0.45 to \$1.50 per square foot of living area. The subject's land assessment of \$3.00 per square foot of land area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
