

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gwenn O'Malley
DOCKET NO.: 12-30738.001-R-1
PARCEL NO.: 04-34-409-022-0000

The parties of record before the Property Tax Appeal Board are Gwenn O'Malley, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,531
IMPR.: \$20,969
TOTAL: \$29,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story single-family dwelling of masonry construction with 1,368 square feet of living area. The dwelling contains a full unfinished basement. The property has a 8,750 square foot site, and is located in Northfield Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold in November 2010 for \$295,000. This evidence included an attorney letter outlining his argument, a copy of a 2003 PTAB decision, and a copy of the Cook County Recorder of Deeds printout showing the sale occurred. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$40,111. The subject's assessment reflects a market value of \$401,110 or \$293.20 per square foot of living area, including land, when applying the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance.

In support of its contention of the correct assessment, the board of review submitted four sale comparables and confirmation of the 2010 sale of the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in November 2010 for \$295,000. The appellant provided evidence demonstrating the sale had the elements of arm's length transaction and in support of the transaction, the appellant submitted a copy of the property transfer tax declaration form. Lastly, the board of review failed to provide any evidence to challenge the arm's length nature of the transaction.

Based on this record, the Board finds the subject property had a market value of \$295,000 as of January 1, 2012. Since market value has been established the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
