

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larry Neumann  
DOCKET NO.: 12-30915.001-R-1  
PARCEL NO.: 13-13-108-031-0000

The parties of record before the Property Tax Appeal Board are Larry Neumann, the appellant(s), by attorney Anthony Lewis, of the Law Offices of Gary H. Smith in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,896  
**IMPR.:** \$ 17,604  
**TOTAL:** \$ 22,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a two-story dwelling of masonry construction. The dwelling is 101 years old. Features of the home include a full finished basement and a two-car garage. The property has a 4,080 square foot site, and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$225,000 as of May 27, 2012. The appraisal states that the subject is occupied by tenants.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,525. The subject's assessment reflects a market value of \$345,250 when applying the 2012 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and four sale comparables.

In rebuttal, the appellant argued that the board of review's sale comparables should be given no weight because they were not similar to the subject for various reasons, and they were merely raw sales data.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$225,000 as of the assessment date at issue. Since market value has been established the 2012 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
